

Q&A

RescueRXX™

FORMULA

QUESTION

- Does **RESCUERXX™** contain natural keratin?
- Where does keratin come from?

ANSWER

Yes, it contains natural keratin.

The keratin comes from sheep's wool, and is cruelty free.

POSITIONING

- Does **RESCUERXX™** work on all types of nail concerns?
- How do I know when to recommend **RESCUERXX™** vs **SOLAROIL™**?
- What type of nail damage does **RESCUERXX™** treat?

No, **RESCUERXX™** will not work on all nail concerns. It will only work on thin, weak, splitting peeling nails or nails with white patches. It will not address nail fungus, nail growth or any other nail concerns.

SOLAROIL™ is a maintenance product designed to keep nails healthy and maintain suppleness. **RESCUERXX™** is for damaged, weakened nails that require treatment. Think of **SOLAROIL™** as a daily conditioner and **RESCUERXX™** as a deep treatment hair mask.

RESCUERXX™ is designed to treat cracking, peeling, splitting nails and white spots.

PRICING

- How many applications are there per bottle?

There are approximately 160 applications per .5 oz. bottle.

FEATURE & BENEFITS

- How does **RESCUERXX™** work?
- What is **RESCUERXX™**?
- How quickly will I see results?
- What type of results can be expected with use of **RESCUERXX™**?

RESCUERXX™ with jojoba and sweet almond oil, deposits keratin to weakened, damaged nails to help restore strength and moisture.

RESCUERXX™ is a keratin treatment designed to repair weakened or damaged nails. The treatment with jojoba oil and almond oil carries keratin proteins which bond to the natural nail to help strengthen while restoring moisture. With continued use, **RESCUERXX™** dramatically reduces peeling and white spots for healthier, more beautiful nails.

In clinical testing, 80% of people observed improvement after the first week of use.

After four weeks, clinical testing showed a 73% decrease in splitting and 80% decrease in peeling.

USAGE

- What causes nail damage?
- How do I use **RESCUERXX™** daily keratin treatment?
- Does **RESCUERXX™** help nails grow faster?
- Can **RESCUERXX™** be used on toe nails?
- Can I use **RESCUERXX™** during my manicure service?
- How often should I use **RESCUERXX™**?

Damage to the natural nail is frequently caused by mechanical wear, such as scraping, picking, or over filing or buffing and can also be caused by environmental factors. **CND** recommends receiving nail services only from a trained professional.

Before applying, we recommend you shake the bottle well. For best results, apply to bare natural nails twice daily, massaging into the entire nail, nail edge and cuticle. Use up to four weeks for optimal results.

No, **RESCUERXX™** will not cause nails to grow faster. It will help prevent nails from premature breakage as the nail strength improves.

Yes, **RESCUERXX™** can be used on toe nails.

Yes, however, your client will not see any immediate results.

For best results, **RESCUERXX™** should be used at least two times daily on clean, bare nails.

*When used as directed.
