Precious Time Saved:

- 2-step application
- Ready to remove in 60 seconds
- 15 minutes per service saved

Perfectly Polished by a Pro:

- Professional service only available at the finest salons

DIRECTIONS FOR USE

CND™ SHELLAC LUXE™ COLOR COAT

1. Perform a manicure and thoroughly cleanse and temporarily dehydrate the nail plate using **SCRUBFRESH™** Nail Surface Cleanser.
2. Shake vigorously to blend.
3. 1st Color Layer: Seal the free edge and apply an extremely thin, translucent layer of **CND™ SHELLAC LUXE™** Color Coat to all five nails.
4. Cure for one minute (**preset button 2S**) in the **CND™ LED** Lamp.
5. 2nd Color Layer: Seal the free edge and apply a second thin layer of color for coverage and cure for one minute.

CND™ SHELLAC LUXE™ TOP COAT

1. Shake to blend.
2. Seal the free edge and apply a layer of **CND™ SHELLAC LUXE™** Top Coat to all five nails.
3. Cure for one minute (**preset button 3**) in the **CND™ LED** Lamp.
4. Gently wipe the top film with a plastic-backed, lint-free pad or a cosmetic sponge saturated with 99% Isopropyl Alcohol.
5. Condition nails with **SOLAROIL™** Nail & Cuticle Care.

REMOVAL

1. Thoroughly saturate the cotton pad of the **CND™ Foil Remover Wraps** with **OFFLY FAST™**; starting with the pinky finger, place the pad on the nail and tightly wrap all 10 fingers. Set the timer for **60 seconds**.
2. Firmly press on the top of each nail, massage and twist the wrap from the nail while encasing the product within the wrap. Gently remove remaining product with an orangewood stick. (As an alternative a sponge may be used.)
3. Remove residue using a plastic-backed, lint-free pad or a stiff manicure brush moistened with **OFFLY FAST™**.

CREATIVE SUGGESTIONS

For customized levels of protection and removal, utilize the variety of **CND™ SHELLAC™** Top Coats over **CND™ SHELLAC LUXE™** Color Coat:

- **CND™ DURAFORCE™** Top Coat for ultimate protection for weak or brittle nails and *less than* 15-minute removal
- Original **CND™ SHELLAC™** Top Coat for ultra shine for normal to weak nails and *less than* 10-minute removal
- **CND™ SHELLAC™ XPRESS5™** Top Coat for normal to weak nails and *less than* 5-minute removal
- **CND™ SHELLAC LUXE™** for normal to hard or lift-prone nails and ready to remove in 60 seconds

Why you need both CND™ SHELLAC and CND™ SHELLAC LUXE™: Now with the **CND™ SHELLAC™** family of products, you have options for protection, color and removal time to meet every client's needs.
