

MEET YOUR MATCH

VINYLUX is a breakthrough polish that endures a week of fashion perfection...without a base coat!

Exposure to natural light secures the patent-pending ProLight technology, creating an enduring, **long-lasting** polish. While ordinary polishes become brittle and deteriorate over time, VINYLUX dries naturally to a flawless finish and strengthens its **resistance** to chips over time.

Finally a polish that ensures—your nails will never let you down!

Change it when you *want* to, not because you *have* to.

FROM THE MAKERS OF CND SHELLAC™ – THE ORIGINAL POWER POLISH.

STEADFAST

Delivering **week long wear** of fresh, flawless color without chipping. Better performance than leading polish.
